

PRESS RELEASE

Maximilian Schneider becomes Managing Partner of LUWIN Real Estate

Frankfurt, 1 October 2021 - Maximilian Schneider becomes a Managing Partner of LUWIN Real Estate ("LUWIN") with effect from 1 October 2021. Schneider (35) will be responsible for the expansion of LUWIN's institutional business in Germany and abroad, together with broadening the product portfolio.

Founder and Managing Partner Manuel DeVigili comments: "We are delighted to welcome Maximilian Schneider as a partner. His track record, extensive expertise in the institutional property business and his wide-ranging network will provide major impetus for the strategic development of LUWIN as an investment and asset management platform for institutional investors."

Investment manager LUWIN manages a diversified real estate portfolio, with a total value of over EUR 2.2 billion, for international and German institutional investors.

Maximilian Schneider joins LUWIN from the Quantum Immobilien Group where, as Managing Director and Head of Business Development, he was responsible for expanding the institutional investor base in Germany and abroad, as well as strategic product development. Earlier in his career he worked for companies including the IVG Immobilien Group and GLL Real Estate Partners GmbH. Maximilian Schneider holds a Master's degree in Real Estate from the International Real Estate Business School (IRE|BS) at the University of Regensburg.
