

**PRESS RELEASE**

## **LUWIN reinforces its Hamburg asset management team**

*Frankfurt am Main, 15 December 2020* – LUWIN Real Estate Managers GmbH (LUWIN) has appointed Naghmeh Baybordi as director of the Technical Asset Management division in its Hamburg office.

A graduate engineer with over ten years' experience in technical real estate management, she has been mainly responsible for commercial properties in the core and core+ segment. Prior to joining LUWIN, she worked for as a technical asset manager for Officefirst GmbH and Dream Global Advisors GmbH.

Based in LUWIN's Hamburg office, which opened on Ballindamm this year, Naghmeh Baybordi will assume technical responsibility for a supraregional portofolio.

Baybordi is LUWIN's seventh new appointment this year.

LUWIN currently manages a portfolio of office, retail and residential property, with a volume of around EUR 2 bn in Germany and other European countries. At the beginning of this year, the company acquired the office and retail property "Ma'Ro" in the Frankfurt CBD. It has recently taken over the asset management of the "OBRKSSL" office property in Dusseldorf, the new headquarters of HSBC Germany.

### **About LUWIN Real Estate Managers**

Luwin Real Estate Managers GmbH is an owner-managed company, specialising in real estate investment and asset management services. LUWIN Real Estate Managers guarantees optimal support throughout the entire ownership period of a property, from acquisition to disposal. The investment objectives are properties in Germany and selected major European cities in the office, residential, retail and logistics asset classes. LUWIN currently manages a diversified real estate portfolio, worth more than EUR 2.0 bn, comprising office, retail and residential properties in Germany and other European countries.
